[redacted] C/FE, called to say that Marshall Green, Assistant Secretary of State for Bureau of East Asian and Pacific Affairs, would be testifying before the House Foreign Affairs Committee Monday and was interested in knowing the extent of the Director's briefing of that Committee on Laos. I told [redacted] that the Director's last appearance before the House Foreign Affairs Committee was on 24 March 1970. His testimony included an intelligence briefing on Laos, but did not go into any details about Agency operations there. [redacted] said he would pass this on to Green. 25X1A

Talked to Mr. George C. Denney, INR, and Mr. John Leahy, Legislative Liaison, Department of State, about the Ervin Bill. Mr. Leahy plans to meet with Employee Benefits Subcommittee staff people the first of the week. The State Department representative who will testify before the Subcommittee on 27 May will probably be Mr. Howard Mace, Deputy Director of Personnel. Mr. Leahy will keep us advised.

9. (Secret - JGO) Talked to Mr. Wayne Birdsall, Secretary to the reporting firm Ward & Paul, and made the necessary arrangements for the secure handling of the transcripts for the Director's briefing of the Church Subcommittee on 5 May.

10. (Unclassified - LLM) Mrs. A. G. Schultz, in the office of Representative Edward Hutchinson (R., Mich.), called in connection with the Representative's interest in the FBIS area books. It was agreed that we would send the Representative several of the area books on a trial basis so that he can determine his interest in receiving them on a regular basis. FBIS will send the Latin America, Asia and Pacific, and Communist China Daily Reports to Mr. Hutchinson's office for a one week period and Mrs. Schultz will let us know the result.

11. (Unclassified - GLC) In response to his interest in Agency views on the Ervin bill, I hand-carried to Vince Rakestraw, on the staff of Senator William B. Saxbe (R., Ohio), a copy of our briefing package on this.
